

I wouldn't normally post anything like this off of IMDb, but the fact that this guy was apparently the first person to reveal the after-credits scene for THOR, does give him a little more credibility than your average forum user. There's some really interesting stuff below and while I'm a little dubious about some of it, it sounds pretty good for the most part. What's even more interesting is what the guy doesn't mention, but I'll keep an eye on things and will be sure to post more spoilers if and when they become available. **WARNING: MAJOR SPOILERS AHEAD!!!** *It starts like The Ultimates with Captain America in WWII* *There is a battle between Captain America and some S.H.I.E.L.D agents* *The Skrulls are in it but they are not named. They aren't Nazis like in The Ultimate and there is no Kree unfortunately. Loki DOESN'T summon them, he's simply tells them the cube's
