

This past month there has certainly been no shortage of rumors surrounding Zack Snyder's upcoming movie 'Man of Steel'. Rumors have ranged from filming in Canada, Lindsay Lohan being up for a role, Edgar Ramirez, and most recently, the relatively unknown actor Adam Harris auditioning for the role of Lex Luthor. Now I have gotten my hands on a few more pieces of information for you guys from my source regarding the production about Lex Corp in Chicago, those Lindsay Lohan rumors, and more on Adam Harris. I've been in contact with this source for a little while now and they've yet to say/do anything that would make me think they are unreliable but regardless, take the rumors however you wish. - Lindsay Lohan never auditioned for any role with Superman. - Adam Harris auditioned and has two callbacks with readings with Henry Cavill and Amy Adams. - Adam has started a physical training
