

I have no idea what these will be used for or where exactly they're from, but Twitter's @RIMBreaks has posted the following pieces of promo art over on the SuperHeroHype Forums. The first of these images appears to show a live action Spider-Man swinging from a web, resulting in many people speculating that it may have been taken from a new theatrical poster or similar promotion material. The other two? No idea... STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE: July 3rd, 2012.
