

Here is an excerpt from the report posted by Greta Van Susteren from Fox News. If you're interested in reading the whole thing, you can do so by clicking on the link below. Here are the Spider-Man relevant excerpts from the site. He thanked Michael Lynton and Amy Pascal for letting him use their space. "I know they're incredibly busy. I was just hearing about Spider-Man 4, so I'm all psyched up about that. Seriously, I'm very big on Spider-Man." While the President was spotted reading a Spider-Man comic book during his first campaign for the White House, it's good to know that he's also looking forward to the upcoming movie! And if you're reading this Mr. President (yeah, yeah, it's unlikely we know!) stay tuned to CBM for all the news on the upcoming reboot as we have it. With an all star cast that includes Andrew Garfield as Spider-Man, Emma Stone
