

Coming this fall, the special operations chapter will include the debut of Magik as a playable character in the game, and new "Phoenix Five" costumes for Cyclops, Colossus, and Emma Frost. The fifth member of the "Phoenix Five" will be unique to the Marvel: Avengers Alliance storyline, and will be revealed to players as they progress through the AvX-related missions. Here are images of the new costumes.. If you have yet to play the game, it is a lot of fun. Click [HERE](#) to give it a bash.
