

"Beware My Power...Green Lantern's Light" Airs Friday, November 11 7/6c on Cartoon Network Based upon the DC Comics super hero, GREEN LANTERN: THE ANIMATED SERIES follows Earth's Green Lantern, Hal Jordan, who is used to being in dangerous situations — but never anything like this! In the farthest reaches of deep space, Hal patrols the Guardian Frontier, where he must face down invasions from the evil Red Lantern Corps., who have sworn to destroy the Green Lanterns and everything they stand for. With ever-emerging galactic threats, Hal is soon joined by an all-new group of heroes on a mission to protect Guardian Space — and the Green Lantern Corps itself! In the first part of the two-part series premiere episode, ace test pilot Hal Jordan (voiced by JOSH KEATON), who leads a secret life as Earth's guardian Green Lantern, is called back to Oa. Searching for the culprits behind a series of
