

In stores this December, IDW is proud to announce TRANSFORMERS: THE DEATH OF OPTIMUS PRIME, setting a whole new direction for the AUTOBOT leader and the TRANSFORMERS comic book universe. IDW's CHAOS event, spanning throughout 2011, represented the closing of a chapter in TRANSFORMERS history for the comic book universe. On Earth, the AUTOBOTS learned of the treachery of their human allies--and their loyalty was pushed past the breaking point. In space--with the fate of the universe at stake--the TRANSFORMERS waged the final battle for the fate of CYBERTRON. With the end of CHAOS, the war between the AUTOBOTS and DECEPTICONS is over. Now the hard part begins, as the survivors must confront their future head-on. The TRANSFORMERS' homeworld is reborn--but it's not the safe home the AUTOBOTS had hoped for. Amidst a hostile planet--and an angry population--AUTOBOT leader OPTIMUS PRIME must try to unite the divided loyalties of his fellow TRANSFORMERS. In
