

There just doesn't seem to be any stopping the juggernaut that is Marvel's The Avengers. The movie is expected to cross the \$600 million domestic box office threshold today, becoming one of only three films in history ever to reach this milestone. The film's global total is now an estimated \$1,438.3 million, and it stands as the #3 film of all time globally and domestically. Marvel/Disney have sent out the following release, which details The Avengers amazing rise to box office glory.. Marvel's The Avengers opened in North America May 4 with a staggering \$207.4 million – the biggest domestic debut of all time – and has been shattering domestic box office records ever since including the industry's all-time second weekend record with \$103 million; fastest film to reach \$200 million (3 days), \$300 million (9 days), \$400 million (14 days), and \$500 million (23 days); and highest Saturday (\$69.5 million) and Sunday
