

The cinematic classic that introduced the world to Indiana Jones is ready to embark on a new adventure when director Steven Spielberg and executive producer George Lucas' unforgettable Raiders of the Lost Ark is released for an exclusive one-week engagement in select IMAX cinemas beginning September 21, 2012. The film has undergone a complete restoration for the IMAX exclusive one-week release and subsequent debut on Blu-ray, released October 8. Tickets will be available from Friday 24 August at www.odeon.co.uk and www.cineworld.co.uk. "When I saw the stunning quality of the picture and heard the enhanced sound in an IMAX theatre, I was quite literally blown away and hope that audiences will enjoy the experience as much as I did," said Spielberg. "We are honoured to present all the excitement of Indiana Jones in a way it's never been experienced before – IMAX," said Greg Foster, Chairman & President, IMAX Filmed Entertainment. "We look
