

Titan Magazines and Skybound are pleased to announce the launch of The Walking Dead, The Official Magazine, based on Robert Kirkman's Eisner Award-winning comic book series, best-selling graphic novels and Emmy-winning AMC television series based upon them. Following its transition from groundbreaking comic book to the highest-rated basic cable drama of all time, The Walking Dead has cemented its status, not only as a phenomenon with the wildly diverging fans of horror and of character-driven drama, but as a milestone in quality, mainstream television. Robert Kirkman, creator/writer of The Walking Dead, debuted the groundbreaking Skybound/Image comic in 2003. In 2010, AMC debuted the hit television series, The Walking Dead, based upon the comic series. The television series became the highest-rated original basic cable drama of all time and an international success in 120 countries and 250 million homes, and counting. In 2011, The Walking Dead graphic novels were the best-selling graphic
