

Broadcast during the classical music station of NYC, WQXR's "Movies On The Radio", aired memorable music from various superhero flicks. And the station essentially premiered a preview of Alan Silvestri's heroic score for Marvel and Joe Johnston's Captain America: The First Avenger film. Seeming just right for the much-anticipated period-telling of Marvel's star spangled Avenger, listen to over ten minutes of the composition below, via the great RIMBreaks. To pre-order a copy of the soundtrack now, which will be released July 19th, head over to Amazon! Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. Starring Chris Evans, Sebastian Stan,
