

I have to say, I wasn't sure whether or not to post this because of two reasons. First one is that this is something Marvel & Disney probably won't reveal in their marketing (posters, trailers, TV spots, etc...) and the second reason is that this will be a big surprise for the fans when they see the film. Having said that, I decided to post it because this is not something we haven't heard before. Those who read a report a while back about a certain villain in The Avengers, won't mind this, but if you don't want to know what happens in the film, please don't read anything below! It's worth mentioning that this exclusive info I have contains some major plot details. Source who told me this, is the same one who gave me other details before on X-Men: First Class and another scene description from The Avengers involving Loki
