

Yesterday, it was revealed that the debut trailer for Ridley Scott's upcoming sci-fi epic, Prometheus, will be released online this coming Thursday. Now, those in the US will get to watch the trailer early with screenings of David Fincher's Girl With the Dragon Tattoo, which will hit theaters beginning tonight at 7 PM. Below is Coming Soon's report on the matter... 20th Century Fox is currently counting down the Thursday online launch of the trailer for Ridley Scott's Prometheus at iTunes Movie Trailers with daily teaser clips, but we've received word that you can actually see the trailer in theaters starting Tuesday night at 7 p.m. nationwide with David Fincher's The Girl with the Dragon Tattoo! Also, someone who was attending an early screening of the film last night also saw the trailer, and posted it on their Twitter profile, confirming the above report and revealing the exact time length of the
