

In the distant future, two superpowers control Earth and fight each other for all the solar system's natural resources. When one side dispatches a team to a distant planet to terraform it for human colonization, the team discovers an indigenous race of bio-mechanoid killers. Ridley Scott, director of 'Alien' and 'Blade Runner,' returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. Prometheus, is directed by Ridley Scott and stars: Charlize Theron, Idris Elba, Logan Marshall-Green, Noomi Rapace, Guy Pearce, and Michael Fassbender. The film will be available on Blu-Ray and DVD October 9th.
