

Unfortunately you have to view in the top corner of the screen but it's easy to tell that next week's ep is going to heighten the tension as the group begins to fracture. But some new allies present themselves as we also get our first glimpse of Herschel and his family. Will Rick maintain control? Will Daryl survive? You'll have to tune in next week to find out. Coming to the aid of another, Rick discovers a possible safe haven. Shane must go on a dangerous mission to get badly needed medical supplies. By TwitterButtons.com
