

This was my moment of ultimate truth, the final confrontation in the ring between matador and bull where both know that only one will survive. I knew that would be me... right up until the moment I died. --PSYLOCKE We have run through the members of X-MEN's First Class (Comics and Movie versions), its now time to move the spotlight to the other members of the team. --> Who is PSYLOCKE? PSYLOCKE is Elizabeth Braddock, the twin sister of Captain Britain, she is a mutant with telepathic and telekinetic powers. Her consciousness and power was switch into the body of Kwannon, a Hand Clan Ninja. In her new appearance she retained Kwannon's martial art skills, when combined with her own telepathic powers, PSYLOCKE can form her formidable weapon the Psi-Blade. PSYLOCKE was created by writer Chris Claremont and artist Herb Trimpe, she first appeared in the UK comic book Captain
