

Crave Games and Cartoon Network announce the holiday release of Cartoon Network: Punch Time Explosion XL for PlayStation®3 computer entertainment system, Xbox 360 video game and entertainment system from Microsoft® and the Wii™ system from Nintendo. They have graciously offered to supply one lucky CBMer a PS3 console & copy of the game. See below for instructions on how to win! Building off the success of Cartoon Network: Punch Time Explosion on the Nintendo 3DS, the fast-paced console fighting game features iconic locations and an all-star cast of fan-favorites recruited from Cartoon Network's most popular television series including: Ben 10, Samurai Jack, Johnny Bravo, The Powerpuff Girls and Dexter's Laboratory. The all-new brawler video game with 26 playable characters, including eight new characters, gives players the power to duke it out with their friends for cartoon supremacy. A great gift for kids and adults wanting to step into the shoes of
