

The Luke Cage stuff comes in about 21.50.. If you don't feel like watching, basically when he is asked about playing Luke Cage he responds with .. "It's funny you should say that, I had a meeting with Marvel.." He then stops himself and wonders aloud if he should have said that! He continues with.. "I would love to play Luke Cage, I think I would make a great Luke Cage" So although he doesn't come right out and say it, I don't think it's really jumping to any conclusions to assume that he was meeting about playing Luke Cage. Pretty spot on casting I'm sure you will agree. Although I wasn't a big fan of The A-Team, I thought Jackson did a pretty good job as BA. Of course a meeting doesn't mean anything, but it does confirm that Marvel are looking at people at least. What would you think of Jackson in the role? Thanks
