

Comic Book History Who is RA'S AL GHUL? RA'S AL GHUL is a centuries-old international eco-terrorist. He is incredibly intelligent and agile, having had time to train his mind and body to their absolute peaks. RA'S AL GHUL was created by Dennis O'Neil and Neal Adams and first appeared in Batman #232 (June 1971). First Appearance RA'S AL GHUL is born over 600 years ago to a tribe of nomads; he is immortal due to discovering what he calls the Lazarus pit. A pool composed of a unique unknown chemical blend that bubbles up somewhere within the Earth's crust to the surface at key points on Earth. The substance possesses the ability to rejuvenate the sick and injured, and even resurrect the dead. With the help of the Lazarus Pit, Ra's spends the next several centuries journeying the world. He fought in several wars and became a very formidable warrior.
