

Oh and before I go any further, this did have a spin-off comic from First Publishing. I know because I have it! Sad eh? The original series ran from 1987 to 1990 on CBS. It starred Hellboy himself Ron Pearlman as Vincent - the "Beast" - and Terminator's Linda Hamilton as, you guessed it, a "Beauty" named Catherine. Basically a Lawyer is rescued from an attack by a half man, half lion type dude and they strike up a friendship that leads to romance thanks to a kind of psychic bond they share. It was actually a pretty good show. At least I loved it as a kid. It may have dated now. Anyway Tvline.com report that a reboot is coming our way on The CW.. The new version will not only modernize and CW-up the love story but also add a procedural twist. Nice pedigree, too: Without a Trace vet
