

Called the Biohazard Cafe & Grill S.T.A.R.S., the restaurant will have its grand opening on July 13th but will remain open only for one year. The menu has yet to be announced by Capcom but they promise limited-edition items and dance performances from dance team S.T.A.R.S. Angelique. The release of this restaurant, in correlation with the game, gives fans of the Resident Evil franchise in Shibuya, Japan something great to look forward to. Here's a trailer for Resident Evil: Retribution just to wet your appetite, literally! Resident Evil: Retribution hits theaters on September 14th, 2012.
