

Thanks to the lovely Milla Jovovich for giving us heads up on her Twitter page once again, we now have "Official Confirmation" that the anticipated teaser for Resident Evil: Retribution will debut online tomorrow on Yahoo and will be up on the official movie site too! Here's her Twitter Post: "Gotta get back 2 work! So now OFFICIALLY paul got an email saying the RE:RETRIBUTION teaser will b out -and I quote- "tomorrow thurs. the 19th at 1pm EST/10am PST. US is launching w Yahoo Movies n int'l markets r each securing a local launch site (whatever that means! Lol!) the trailer will launch on the official movie site <http://www.residentevil-movie.com> as well". But i actually jst checked that site n the "retribution" site isnt up yet which is weird. Im contacting sony today n will keep u posted as soon as i hear back from them. So there u go! A bit confusing
