

Earlier this week, Marvel revealed their plans for Avengers Vs. X-Men, a 12 issue event which is set to pit the two heroic teams against each other in a battle over the Phoenix Force's arrival on Earth and its intended target of Hope Summers. To read the full details about the upcoming series click [HERE](#), and find the 50 minute live blog with the creators [HERE](#). In both of those articles, we asked you which of the teams you think would win when they clash next year. Well, here are the results in full. So, the team dubbed "Earth's Mightiest Heroes" were the clear victors in this battle. Marvel has already made it clear that there will be only one winner in the event, but whether that will also see the Avengers come out on top remains to be seen. Sound off with your thoughts below. The Avengers and X-Men have learned
