

Well, it looks like all the positive reviews in the world won't stop you guys seeing Green Lantern this weekend! By a huge majority, you decided that you'll be seeing the movie as soon as possible, regardless of what the critics had to say. Some of you may have been slightly put off, but only a very small minority decided to skip it altogether. While the movie may not be as good as we all hoped, a successful weekend at the box office will ensure a sequel, and a chance for DC Entertainment and Warner Bros. to do thing right next time! Either way, here are the results in full. No way, I'm seeing this movie ASAP! 3,318 Votes (64.33%) Maybe...I'll probably wait a while before checking it out. 1,088 Votes (21.09%) Yes, I'll give this one a miss! 752 Votes (14.58%) So, what do you make of these results? Be sure to share your thoughts in the
