

Following the release of some fantastic 'Star Wars Vs. Marvel' fan art over at IGN (you can view them by clicking [HERE](#)) I asked you guys who you think would win if the two iconic universes were to come to blows. Well, there was a pretty clear winner, as it seems that you don't think the likes of Luke Skywalker and Darth Vader wouldn't have a shot if they were to face off against characters such as Spider-Man and Thor! Thanks for voting, and be sure to share your thoughts on these results in the usual place!
