

The first trailer for Marvel's The Avengers 3D broke iTunes records after being watched 10 million times. It was then revealed last week that The Dark Knight Rises had snatched that record from Earth's Mightiest Heroes after being viewed a whopping 12.5 million views in its first 24 hours. When we asked which of the trailers you thought was better, over 3200 of you cast your vote and it ended up being a very close contest indeed. It was The Avengers who triumphed (just!) in this particular battle.
