

Well, a bit of a surprise here I think. I expected you guys to go a bit easier on the movie, but not THIS much easier. 32.13% of you chose the third option and felt it was good but could have been better. But it seems 26.10% think that Green Lantern was one of the best CBMs we have ever seen. I agree completely. I agree, provided we class Catwoman, Elektra, Ghost Rider, Spawn and Jonah Hex as among the best, GL most certainly comes out on top. Here are the results in full.. Will this motivate you to give Green Lantern another watch? Here is my take on the movie if you're Interested By TwitterButtons.com
