

Despite some fans not appreciating the lack of definitive answers in Prometheus, that didn't stop over 51% of you declaring your love for the film when we asked you for your thoughts a few days ago. Despite fairly low estimates, the film exceeded expectations at the North American box office this past weekend with an impressive \$51 million, while it currently holds a 73% rating on Rotten Tomatoes. The results below clearly show that there will still some of you not that impressed, but for the 16% of you who revealed that you have yet to check out the 3D sci-fi epic, be sure to read my 5* review of the film by clicking [HERE](#). In the distant future, two superpowers control Earth and fight each other for all the solar system's natural resources. When one side dispatches a team to a distant planet to terraform it for human colonization, the team
