

The Amazing Spider-Man has been met with a mixed response from fans so far. Between the changes to the iconic costume and some fairly major sounding alterations to the origin story, the response from many has been one of trepidation and anger in regards to the direction of Marc Webb's reboot. The trailers however have made a big difference, and those willing to forgive what are actually just minor changes look set to enjoy one fantastic looking film. As for what you all thought of the latest trailer for The Amazing Spider-Man, over 55% of you deemed it amazing. However, 32% judged it as being average, while a much smaller amount of you came to the conclusion that it looks awful. What do you guys think about these results? Sound off with your thoughts in the usual place. STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The
