

What did we see in the teaser trailer altogether? Uh, well not all that much thanks to the fairly awful quality! However, what we did all catch a glimpse of was undoubtedly awesome! New costumes for Captain America and Thor! Our first look inside the Helicarrier! Brief glimpses of Maria Hill, Hawkeye and the new Bruce Banner! Not to mention plenty of intriguing scenes, including Loki being led away by agents of S.H.I.E.L.D and a bunch of explosions. Apart from the Hulk, it had near enough everything you could possibly want. So, what did you guys make of it? Well, unlike The Dark Knight Rises and The Amazing Spider-Man, an HD version has yet to find its way online, but here are the results for what you thought about the leaked trailer for The Avengers! What do you guys make of these results? Be sure to share your thoughts in the usual place,
