

In Captain America: The First Avenger, we saw Chris Evans' Steve Rogers go from wearing a USO version of the classic costume to his own makeshift version, and finally the outfit he designed himself alongside Howard Stark. We all knew that Cap would be getting a make-over for The Avengers, and have since seen a brief glimpse of it after the credits of The First Avenger and in a promotional poster unveiled at Comic-Con. (where the actual suit was also on display) Last week however, we got to see the super soldier in action wearing the full costume, and so I asked you guys what you think of his new look, especially after the mixed reactions in the articles where the various set photos and videos have been posted. Here are the results in full... STARRING: Chris Evans as Steve Rogers/Captain America Robert Downey Jr. as Tony Stark/Iron Man Chris Hemsworth as Thor Jeremy Renner as
