

It seems that most people are happy with the General's appearance. The majority of you "liked" the suit with 808 Votes (34.27%) but right behind it was the most positive option and 782 (33.16%) of you loved it. The most negative option came in last. But reading your comments in the article it seems to show most people either love it or completely despise it! Many feel it's far too similar to Superman's outfit while others love it for this very reason. There are also quite a few who feel that it's just not a good look in any way shape or form. But this IS just a very rough look remember and Zod will no doubt sport some other gear too hence the mo-cap suit. It's the last day of filming in Chicago for Zack Snyder's Man Of Steel as the production heads to Vancouver tomorrow. By TwitterButtons.com
