

Well, with 390 Votes (27.39%) it appears the majority of you are worried, believing that Jenkins simply doesn't have enough experience for a movie like this. Slightly more positive result in second place with 373 of you (26.19%) willing to see what she can deliver. And the most positive option came in third. I'm glad to see the final option with so few votes!. Here are the results in full.. By TwitterButtons.com
