

No, you won't be surprised. At all! In fact Christopher Nolan's The Dark Knight won by a HUGE margin with a whopping 1,585 Votes (54.71%). A very distant second was it's prequel Batman Begins with 288 Votes (9.94%) and the mighty Superman: The Movie only managed a third place spot with 247 Votes (8.53%). My personal favorite Watchmen earned a respectable fourth place spot. Here are the results in full.. We now have out four movies that will duke it out for the title of best CBM of all time. Yes, only four, based on four polls which covered pretty much every CBM we have had so far and representing every studio/brand. Keep an eye out for the poll sometime towards the end of the week/early next week. By TwitterButtons.com
