

Nope, he's still there! With 1,122 Votes (34.79%) it seems the original Marvel Studios movie is still the best in the majority of CBMers eyes. I can't argue with that. The rest of the movies fell in pretty much as expected too. With Captain America: TFA in second place with 898 Votes (27.84%). Thor and The Incredible Hulk were close with The God Of Thunder just beating The Green Goliath. And then last, and by all means least John Favreau's disappointing Iron Man 2.

I really thought Cap might clinch it this time. Reading your comments these results wouldn't even seem accurate. I saw a lot of love for THI and quite a bit of Cap bashing, as well as many coming to the defense of Iron Man 2. Anyway, I think we can all agree that Marvel have made very few mistakes in their build up to The Avengers. Lets hope
