

Well, Watchmen might have its share of critics but Zack Snyder's adaptation of Alan Moore's masterpiece still managed to claim the top spot with 688 (24.27%) votes. Second place goes to Kick-Ass with 434 (15.31%) votes, and third was V For Vendetta - 252 (8.89%) - with Sin City hot on its heels with 248 (8.75%). Another Moore adaptation, From Hell, came in last with only 5 votes. Was this fair? was anything over-praised or under-looked in your opinion? Have a look at the results in full and sound off in the usual place.
