

We've now seen teaser posters for each of the major comic book movie releases in 2012 (no Man of Steel due to the fact it's been delayed until 2013 of course) and while each of them are equally unrevealing, I still asked you guys which of the teasers you like most. Was it the glossy logo of The Avengers? Did you prefer the atmospheric sight of buildings crumbling for The Dark Knight Rises? Or were the glimpses of The Amazing Spider-Man's suit and Ghost Rider: Spirit of Vengeance's flaming hand get you more excited? Here are the results in full... Be sure to share your thoughts in the usual place, and thanks for voting!
