

General feedback had Mark Ruffalo's Bruce Banner/The Hulk emerging as the fan favorite member of The Avengers, and that's reflected here too. With a whopping 41.55% of the votes, the Green Goliath - funnily enough played by the only new face in the cast - came out on top. A distant second was the villain of the piece, Loki, with 1,114 Votes (15.25%) and coming third was Captain America with 989 Votes (13.54%). Nick Fury came last with 16 Votes (0.22%). Here are the results in full.. Do you agree/disagree with how this turned out? Discuss in the usual place.
