

There are a lot of beautiful women in next year's three big comic book movies, but which one of them are you guys most looking forward to seeing steam up the big screen? We're lucky enough that they all also happen to be fantastic actresses, with their beauty being a bonus... When I asked you all which of the 2011 "hotties" you were most looking forward to seeing, Olivia Wilde (Cowboys & Aliens) came out on top, but who was victorious this time? Well, it was pretty close, but Anne Hathaway ultimately came out on top, beating competition from Marion Cotillard and Scarlett Johansson! Here are the results in full...
