

Following the announcement at the San Diego Comic-Con that Marvel are moving ahead with FOUR live action TV shows, the question I asked you was which of them you're most looking forward to seeing. Details are of course still pretty slim on each of them (although you can read about what we do know by clicking [HERE](#)) but we still have a fairly good idea of what to expect from the newly created television division over the next few years. So, which of these characters were you most anticipating their live action debut on the small screen? Here are the results in full...
