

In AskMen's poll, Superman won the majority of votes with 34%, Batman and Iron Man were tied at 20% with Wolverine following closely behind on 19% and poor 'ol Spider-Man way back at a measly 7%. When I included the poll in the article with this news (which you can find [HERE](#)) I wasn't quite expecting over 2000 of you to cast your vote! As you can see, the results differ a little to their version, but the Man of Steel STILL managed to come out on top! What do you guys think of these results? Be sure to share your thoughts in the usual place!
