

In a lopsided victory The Reverse Flash ran by the competition in the poll on which villain should be featured in a Flash movie. While many of you voted for Gorilla Grodd(who came in second) and Captain Cold(who came in third) Professor Zoom is clearly the more popular choice. I do agree with some of you though that a villain like Captain Cold would be a good origin story baddie for The Flash with the possibility of Zoom causing trouble in a sequel. Never the less take a look at the results below and a big thank you to all those who voted.
