

You can click to read British actor Jason Statham's comments about the chances of him ever considering a superhero role on the big screen, but when I asked you guys whether or not you'd actually like to see him play one, over 1200 of you voted and the answer was no...but only just! Personally, I think he's probably more suited to a villain, but only time will tell whether we ever see him in a comic book movie! I've also included the results to a few other random polls I've included in various articles over the past week, so be sure to check them all out below and then share your thoughts in the usual place! And as always, thanks for voting. Would You Like To See Jason Statham Play A Superhero? Are You Glad That They're Moving Ahead With A Spectre TV Show? Wonder Woman Vs. Spider-Man. Who Wins?! Deadpool Vs. "Evil Deadpool". Who
