

The past week has seen five teasers released by Marvel. What have we learned? Well, the Fantastic Four will return in #600, in a quadruple sized issue which sees the book return to its original numbering after coming to an end not too long ago. We also know that the Future Foundation will continue in its own separate ongoing. Most interesting though were the hints that Johnny Storm, the Human Torch, would return to the Marvel Universe after "dying" in the Negative Zone while protecting Earth. Each day, I asked whether you want him back, and the response was a resounding YES! What do you guys make of these results? Be sure to share your thoughts in the usual place!
