

There was an immediate outcry from CBM fans last week upon seeing the first image of Adrienne Palicki in full Wonder Woman regalia for the first time. When fellow Editor Mark "RorMachine" Cassidy posted his article featuring the photo, fans were very quick to voice their distaste for the new costume. The following I posted a POLL questioning CBMers in order to find out just what the prevalent opinion may be here at CBM.com. With over 4,300 of you voting, I was surprised to see that the majority of you were fairly optimistic concerning the new suit. Also, with so many taking the time to vote, I thought most of you would be interested in the RESULTS. What is your opinion on the new Wonder Woman costume? I was expecting something better but this doesn't look bad. 1,019 Votes (23.58%) I don't like the costume but it has potential if the proper tweaks were made. 933
