Continue on the jump to read a detailed breakdown of the rating. *Possible Spoilers ahead* --> Episode description: Oliver tracks down another millionaire from his list, but before he can get the answers he wants the man is killed by an assassin known as Deadshot. Initially, the police suspect that the vigilante, whom they refer to as "The Hood", is responsible for the murder, but the evidence begins to prove that he did not kill anyone. Oliver decides to build a new dance club above his hideout to explain where he goes at night. While comparing the competition, Oliver finds Thea, who reveals that Laurel and Tommy had been sleeping together during Oliver's absence. Laurel becomes suspicious when Oliver does not react to the news. Meanwhile, Oliver uses the assassin's M.O. to learn his true identity, and enlists the help of Detective Lance to stop Deadshot from assassinating more of
