

The full review for One Piece Film: Gold can be found over on our sister site AnimeMojo.com (click here). I put together both a video review and included the transcript, but I thought I would post some of it here for the Anime and Manga fans here on CBM. I'm going to be honest; I wasn't familiar with One Piece prior to sitting down with our copy One Piece Film: Gold. After watching the film, I'm still not sure if I'm familiar with the popular anime. Some of the characters and villains are downright crazy. The entire film takes place on the Gran Tesoro, a gigantic ship that's so large it's been granted the status of an independent country by the World Government. Yes, it's that big. Did I mention that it's made entirely of gold? It's ruled by the Gild Tesoro who has the power to manipulate gold. It's hard to discuss One Piece Film: Gold without giving any spoilers and I
