

In the season 6 premiere of Smallville, we got our first exposure to the Smallville incarnation of General Zod in the form of a wraith who possessed Lex Luthor and attempted to reshape the Earth's crust to recreate Krypton on Earth. The next time we saw him was in Season 9 in the form of Major Zod who was the leader of the lost city of Kandor. Callum Blue portrayed the character for the entire season and became a worthy enemy for Clark. When last we saw Callum Blue as Zod, he had recieved a bit of Clark's blood, gifting him with the powers of a Kryptonian under a yellow sun. After realizing that Kal-El would not help him in achieving his goals, Zod shared his blood with his fellow Kandorian soldiers and assumed the rank of General. After realizing General Zod's deceptions, the Kandorians turned on Zod and supported Kal-El
