

It's been a long (short) and tough road for X-Men: First Class. Rushed production, rumored problems between the cast and director, etc...For a film with our favorite mutants, and this time the story takes place in the 60s, it is a known fact that this big production needed to be finished in a very short amount of time. So, is Matthew Vaughn's new X-Men worth all the praise? More below. X-MEN: FIRST CLASS unveils the epic beginning of the X-Men saga – and a secret history of the Cold War and our world at the brink of nuclear Armageddon. As the first class discovers, harnesses, and comes to terms with their formidable powers, alliances are formed that will shape the eternal war between the heroes and villains of the X-Men universe. THE GOOD: As always, I am going to start with direction. Matthew Vaughn directed three films so far, and every one of
