

Geoff Boucher from Hero Complex got a chance to talk with Rhys Ifans about Marc Webb's highly-anticipated Spider-Man reboot. Find out what the actor portraying Dr. Curt Konner's had to say about his experience on set, and what kind of villain we can expect! Geoff Boucher's interview with Rhys Ifans GB: Marc Webb was a surprise pick to direct this film — his only other feature was “(500) Days of Summer” — but he has some bold ideas for taking Spider-Man into new areas on screen. How was the shoot for you and working with Webb? "The shoot was phenomenal. It was a dream come true really. A franchise that has such gravitas as this — it's all eyes on you — and what Marc has done is very exciting. Not to be disparaging to the other movies at all but they were kind of going a certain way and Marc has
